RULES OF CONDUCT AND WORK OF MEDIA REPRESENTATIVES AT EVENTS OF THE NATIONAL CENTRE RUSSIA

In order to conduct events of the National Centre RUSSIA and to create conditions for professional and effective work of media representatives, each media representative is obliged to comply with the following rules of conduct and work at the Centre's facilities.

Any of the following points may result in the withdrawal of accreditation:

1) aggressive, offensive behavior or discrimination against the staff, organizers, volunteers, guests and participants of the Centre, being at the Centre's facilities while intoxicated with alcohol or drugs;
2) refusal to follow the rules and instructions of the organizers and security personnel;
3) intentional obstruction of the work of other accredited media representatives;
4) intentional damage, copying, full or partial forgery of the accreditation badge, as well as other abuse of accreditation, including, but not limited to an attempt to sell, handover to third parties;
5) intentional damage, copying, full or partial forgery of additional access means (extenders, etc.), as well as other abuse, including, but not limited to an attempt to sell, handover to third parties;
6) violation of zoning, as well as visiting the interior of the Exhibition facilities without being accompanied by employees of the Press Service;
7) when using texts, photographs or other materials published on the Russia.ru website, indicate the source in accordance with the following spellings: the National Centre RUSSIA; International Symposium "Inventing the Future".

Rules of work in the media zones

In the media work zones it is not allowed to:

1) change without permission the furniture arrangement and reorganize work places;
2) reserve workplaces by any means;
3) take photos/video footage of office premises and employees of the Directorate without their consent.

Rules of work for photographers/cameramen/bloggers

Photographers, cameramen, and bloggers must follow the working rules below:

1) do not use flash/additional lighting when shooting during press conferences;
2) do not record video with a photo camera, do not record audio with any devices, including telephones (except for bloggers);
3) do not hinder the work of photographers/cameramen/bloggers and other media representatives at press conferences and in all media areas;
4) do not use a tripod in the exposition areas when filming.
